CCE FDP ON APPLICATIONS OF AI

The CCE Faculty Development Programme (FDP) on Applications of Artificial Intelligence was conducted from 23.02.2026 to 13.03.2026, with enthusiastic participation from the staff of Government Degree College, Jammalamadugu. The primary objective of the programme was to improve the faculty's knowledge and skills in emerging AI technologies.

Faculty members from different departments participated individually, allowing for subject-specific involvement and more focused learning. The sessions emphasized the practical use of AI in teaching, research, and administrative activities. Through this programme, the participants developed a better understanding of how to incorporate AI tools into classroom practices.

Daily feedback was collected from each staff member and submitted to the Regional Joint Director of Collegiate Education, Kadapa, ensuring proper monitoring and evaluation. Overall, the FDP played a vital role in enhancing the digital competence of the teaching staff. All the staff members received The FDP certificates

The poster features a blue and yellow background with a central graphic of an open book and hands. It includes logos for the Commissionerate of Collegiate Education, Government of Andhra Pradesh, and PM-USHA. The text is centered and clearly legible, providing all necessary details about the FDP program.
